

# NANDKISHOR KAGLIWAL

---

- Honorary Consul for the Republic of Tunisia
- Honorary Commercial Attache for the State of Nebraska, USA

Shri Nandkishor Kagliwal has done his MS in Management from USA. He is a first generation entrepreneur. He is Founder-Chairman of Nath Group of industries. Nath Group has presence in seeds, food processing, manufacturing of value added paper & boards and industrial chemicals.

Nath Bio-Genes is an intensely research oriented pioneering seed company in India. “Nath Seeds” is a household name in the farming community. The company works closely with over 15,000 seed growers and produces seeds on about 30,000 acres of land and provides quality seeds for nearly 6 million acres of land.

Nath Group has set up a mega food park near Aurangabad providing state of the art, integrated infrastructure for food processing industries.

Nath Group has two paper mills located at Aurangabad and Vapi producing value added industrial and cultural papers. The group also has substantial presence in manufacturing of industrial chemicals.

Shri. Nandkishor Kagliwal is deeply involved with agricultural research, rural development, education and health care. He has been instrumental in setting up a modern hospital and the now acclaimed Nath Valley School, Nath School of Business & Technology and various other socio-cultural institutions in Aurangabad region.

Shri. Kagliwal served as :

- Member of Planning Commission of Maharashtra
- President of Maharashtra Economic Development Council (MEDC)
- Chairman (WR), Federation of Indian Exports Organization (FIEO)

He was a member of Board of Directors of :

- Industrial Development Bank of India
- State Bank of Hyderabad
- State Industrial & Investment Corporation of Maharashtra Ltd.

Currently he is Director of IMC Chamber of Commerce & Industry and Member of Managing Committee of FIEO, MEDC, Central Cotton Research Institute.

He enjoys reading, widely travelled and is a much sought after speaker.
